

THE TAPPET  **CLATTER**

PUGET SOUND REGION VINTAGE CHEVROLET CLUB OF AMERICA

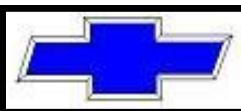

March 2024

Volume 57, Number 03

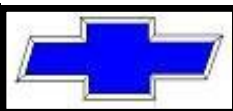

Yes! It's that time of the year.

1967 - Puget Sound Region VCCA

The Puget Sound Region of the Vintage Chevrolet Club of America (PSR-VCCA) is dedicated to the preservation, restoration, fun and enjoyment of vintage Chevrolet cars and trucks. Members are not required to own a Chevrolet. Regional membership is open to all Chevrolet enthusiasts who are members of the Vintage Chevrolet Club of America (VCCA). **All Chevrolets 25 years or older may be registered with the Region.**

Unless otherwise posted, Hybrid "In-person and ZOOM" General Meetings are temporarily held on the 2nd Saturday of the month. The Meeting will begin at 10:30 am from Kent Sullivan's garage or adjacent meeting room located at 6408 125th Ave. NE, Kirkland, WA 98033 (Pending COVID restrictions) until further notice. ZOOM information will be sent via e-mail broadcast to all members prior to the Meeting. **General Meet-**

Publication Information

The **deadline** for receiving articles for Tappet Clatter is the **20th of the previous month**; that is for example, articles for the March publication must be received no later than February 20th. The Editor Team reserves the right to edit material in any way as appropriate for wording, clarity, grammar, punctuation and available space. We can accept most electronic formats. and hardcopy; however, prefer all photos sent in JPEG format. Please submit proposed articles and photos by e-mail to: tappetclatter@outlook.com

PSR Director's Message

FEBRUARY MEETING

Big thank you to all of you who made the February 10th meeting such a success by supporting Dick Olsen's interview and the 2025 NW Meet Committee.

It was like old times to see so many members attending and visiting and socializing. Your involvement is essential to moving the 2025 NW Meet forward.

Thank you Dick for discussing the restoration of your '30 Roadster. I always knew you were talented, but you outdid yourself with this one. Great Job.

2025 NW MEET COMMITTEE

Special thanks to Dave, Bob, Tom and Don for the great accomplishment of selecting a meeting location. Your hard work is not unnoticed. Thank you.

I am impressed with the great progress the Committee has made and I am excited that all of you are staying on for the next phase. This will keep the momentum going. Thanks.

The Committee presented its findings, selecting two of the four sites handed them and prioritizing the remaining two allowing the next step to take place of refining what we need for the Meet and negotiating contracts. It was good to hear members asking questions and getting involved in the process.

There will be lots of opportunity for members to volunteer in support of this Committee as development of the Meet progresses. Your help will be needed.

MONROE SWAP MEET VOLUNTEERS NEEDED

Swap meet is May 17 to 19th.

PLEASE Contact Tom Taricco (tom@taricco.net, 425 503-1360) with the dates and times you can volunteer..

You get free parking when you volunteer.

This is our only fundraiser for the year and we need everyone's help

2024 NW MEET DETAILS

Registration forms are not available yet, but if you plan to go, you may want to reserve your room at the Cousin's Country Inn at The Dalles. OR soon.

The meet is from June 12th to 16th. Look forward to seeing you there.

Thanks to Dot Zeigler for saving me this year by volunteering to do the Gift Basket for the 2024 NW Meet. If you have ideas and/or items, please pass them on to Dot at 425 271-7678. Thanks

Continues...

TOURS

John Valiton is busy organizing a tour for April. Stand by for details.

IN SUMMARY

The club is what we make it and nothing more or less. Please Volunteer.

Bob Stamnes #11563

Director, Puget Sound Region VCCA

End.

District 3 Director's Message

"You meet the nicest people on a Honda!" Remember that commercial tag line from way back? Well, I think "You meet the nicest people in a vintage Chevy"! Mary and I are having a vacation to Kauai, Hawaii and stopped by friends Terry and Carol Wells at their home. They are amazing people and avid VCCA'ers. They tour (recent Southwest Fall Tour), they restore (1922 Chevrolet) and occasionally show off their 1931 Chevrolet 1 1/2 ton driving around the island. Our son, Ryan, also a VCCA member, now lives in Kauai, so with spouses, we had 6 VCCA members on the island at one time! Hoping for more visits in the future!

So here's plug #1 for the upcoming NW Meet in The Dalles, Oregon: You don't want to miss a tour to WAAAM, that stands for Western Antique Aeroplane and Automobile Museum in Hood River, one of the planned tours. A huge and amazing collection of vintage cars, trucks and airplanes.

Ed Gallagher #44216

Director, VCCA District 3

End.

2024 Officers Installation Banquet

The PSR-VCCA 2024 Officers Installation Banquet was held Saturday, January 20, 2024 at the Rainbow Café, Auburn, WA. We had a full house (33 members). Below are the new (continuing) Club Officers for 2023 & 2024:

From left to right: Bob Stamnes - Director; Donna Onat - Membership; Rod Schein - Asst. Director & Programs; John Valiton - Activities; Sallie Comstock - Treasurer; Tom Taricco - Editor; Marigail (MG) Stamnes - Secretary; and Don Comstock - Club Store. Not shown in the photo is Ralf Luche - Web Master.

End.

January 2024 General Meeting Minutes

On January 20, 2024, 33 members of our Club were present at the Rainbow Cafe in Auburn, Washington for our combined January meeting and annual Installation Banquet. After time for socializing and starting our meals, Bob Stamnes, Director, called the meeting to order at 2:25.

Membership - Donna Onat introduced one of our newest members, Paige Booth. Paige and his wife, Kathy, now are the owners of her father's, Jim Farris's, 1932 Confederate Sedan. She also welcomed Sandy Taricco and Gennette Tear.

Assistant Director - Rod Schein reminded members he had the Chevy Milestones DVD to distribute after the Banquet to those who had requested them.

New Business - The Club members present voted to send the Columbia River Club \$500 in set-up funds for the 2024 NW Meet.

The Club members present also voted to approve the By-Law Changes presented in both the January 2024 and February 2024 editions of Tappet Clatter.

Installation Ceremony - Bob Stamnes introduced and thanked the 2024 PSR-VCCA Officers, all who graciously agreed to continue in their 2023 offices. Bob Stamnes, Director; Rod Schein, Assistant Director; MG Stamnes, Secretary; Sallie Comstock, Treasurer; Donna Onat, Membership; Tom Taricco, Editor; John Valiton, Activities; Ralf Luche, Webmaster; and Club Store, Don Comstock.

Awards - Bob Stamnes thanked the Board and membership for the great support he had received in 2023. He recognized Ken Scott and Fran Cissell for their generosity in hosting the PSR-VCCA Christmas Party; Al Howe for setting up this Banquet and updating the Roster; and Diane Haddock for being the initiator of our ZOOM Meetings, even when she has been out-of-town and in her car due to a power outage. Bob also thanked Tom Taricco, Bob Reller, Dave Haddock, and Don Comstock for their hard work as the 2025 NW Meet Location Committee. The results and recommendations from their meetings, travels, and evaluations will be presented to the membership at the February 10, 2024 meeting at Kent Sullivan's. All are encouraged to attend either in person or on ZOOM.

Bob Stamnes presented **Spark Plug Awards**. As spark plugs are essential parts of a car, these awards represent how important these members are to the Club. **Rod Schein** was presented with a Spark Plug Award for arranging our meeting programs for the last 2 years, subbing as Director when Al Howe was out of commission last year, and being Bob's sounding board and advisor whenever Bob needs input or ideas. Bob is appreciative that Rod is never more than a phone call away.

Bob Stamnes also presented **John Valiton** with a Spark Plug Award. John volunteered for the Activities position after only a brief time in the Club. He, with the support of his wife, Donna, has led tours to some interesting places we haven't been before including a joint tour with the Corvair Club. Tours make our Club more attractive to both long-term, newer, and potential members.

Continues...

A Spark Plug Award will be presented to **Kent Sullivan** at our February meeting. Kent has supported the Club in so many ways with computer support, Zoom meeting support, suggestions and advice, and a location for both meetings and car technical sessions.

A Spark Club Award will be mailed to **Ralf Luche**, our Webmaster. Ralf volunteered to do the Club website many years ago as a challenge, learning on the job, and has continued as our Webmaster even though he re-located to Prescott, Arizona many years ago. He has expertly developed our website by adding articles and Tappet Clatters making it our Club's historical depository. The Club is very thankful for all Ralf does.

Bob Stamnes presented the 2023 **Director's Award** to **Tom Taricco**. Tom is always there to accept additional responsibilities. Tom was a fairly new member when he volunteered to become our Editor for 2023. He has continued the work of previous editors, making the Tappet Clatter the outstanding publication it is. Tom also has volunteered to manage the Club's involvement in the 2024 Monroe Swap Meet, which is the Club's primary income, and has led the 2025 NW Meet Location committee. Bob is so thankful for Tom's involvement and for keeping Bob up-to-date with reminders and ideas.

Al Howe presented full-color 2024 rosters to Bob and MG Stamnes, Rod Schein, and Tom Taricco as surprise awards to thank them for their work this year and for continuing with their positions for the next year.

Club Store - Don Comstock distributed the last of the PSR-VCCA decals, ones that lacked the Founded 1967 insignia. In addition, he offered the embroidered logo coat patches (40,000 stitches according to Don Hatley) for \$10. Thanks, Don, for managing the Store and its business.

Activities - John Valiton would like members to suggest possible tours for this year especially to the south or east. Bob Stamnes encouraged members to help our club in this way.

Bob encouraged members to support Tom Taricco with articles for the TC and volunteering for the Monroe Swap Meet work when he asked to reduce some stress as Tom has a lot on his plate for the club.

Al Howe introduced and thanked the staff from the Rainbow Cafe who worked with him on the Banquet.

Bob Stamnes adjourned the meeting at 3:20. Many members stayed to socialize after the meeting ended.

Respectfully submitted,

Marigail (MG) Stamnes #11563
Secretary

End.

February 2024 General Meeting Minutes

Bob Stamnes, Director, called the meeting to order at 10:30 at Kent Sullivan's. A total of thirty-one members were present: twenty-four on site and seven on ZOOM. Bob started the meeting thanking Club Members for their attendance.

SPARK PLUG AWARD--Bob presented a Spark Plug Award to Kent Sullivan. Kent has helped the Club with his computer knowledge and problem solving, Zoom meetings, suggestions and advice for events, and providing a great location for both general meetings and car technical sessions. Thank you, Kent!

MINUTES--The minutes from the January 26 Banquet meeting were approved as published in the Tappet Clatter.

MEMBERSHIP--Donna Onat shared information on the lovely memorial for long-time member, Dave Roberts. Fifteen PSR members were there to celebrate Dave's life, and Don Comstock shared his heartwarming memories of Dave. Dave is fondly remembered by so many PSR members. We were very happy to see Betty and Karen Roberts at this meeting.

TREASURER--Sallie Comstock reported on our treasury status including \$208 paid to support the January Banquet.

EDITOR--Tom Taricco is happy to have members continue to submit articles and stories for the Tappet Clatter. Also, as our lead for the **MONROE SWAP MEET ON MAY 17, 18, AND 19, he asked for more volunteers for shifts** as this is our major fundraiser. Eleven members volunteered at the meeting in addition to the PSR RVers who will be present on the site. Tom still needs more volunteers.

ACTIVITIES--John Valiton is looking at the Military Museum south of Tacoma for an April Tour. He would appreciate any suggestions of tours especially to the south and east.

CLUB STORE--Don Comstock brought the following items to sell at the meeting at bargain prices: \$2 VCCA years pins, \$3 Logo Pins, \$10 embroidered back patches, \$3 name badges, and \$7 metal license plate frames. He also asked members for ideas for the Store to buy.

Continues...

PROGRAM--Dick Olsen shared information and photos from his restoration of a 1930's Chevy Roadster. Dick found the car on Craigslist. The car with 40,000 miles had been in a barn for 20+ years. It had been extensively damaged in an accident, so Dick essentially rebuilt it from the ground (chassis) up. Dick gave an interesting presentation about his search for parts and steps he took to restore it. The photos detailed his progress and efforts. The end result was a beautiful, bright green Roadster, which he sold in 2021. The members asked Dick several questions about his work and the car (only 10 1930 Roadsters registered with VCCA at that time). Members also thanked Dick for the skilled work he had done for other Club members on their car restorations.

NEW BUSINESS--Dot Ziegler graciously volunteered to take the lead in preparing a PSR gift basket for the 2024 NW Meet. **Please contact Dot if you have ideas for a theme, can help her, and/or donate items for the PSR 2024 Basket. Thank you.** Sallie Comstock presented a motion to use \$50 from our treasury to help fund the basket, and the motion was unanimously passed.

A brief break was taken for treats and a free raffle of items donated by Bill Barker and Bob Stamnes.

The second part of the program was an informative presentation, accompanied by slides, by Tom Taricco about the steps taken by the **2025 NW Location (Phase 2) Committee** (Tom Taricco, Bob Reller, Dave Haddock, Don Comstock) to recommend a site for the meet. PSR members unanimously accepted the committee's recommendation of the [redacted] as the first choice for lodging with [redacted] as the fallback location. The committee was thanked for their extensive work and time devoted to this phase. (Please see article in this Tappet Clatter for more details.)

For **Phase 3**, which includes draft contracts, Tom Taricco, Bob Reller, Dave Haddock, and Don Comstock generously volunteered to continue the work. Ken Scott will work with the North Cascades region on tour possibilities.

Members were reminded that support and involvement from all of us is needed as the intense work on the 2025 NW Meet continues. Ways to promote the 2025 Meet were discussed, including power point presentations to other clubs and how to promote the 2025 meet at the 2024 NW Meet, including photo boards, wearing shirts, hats for visibility, handouts, etc

Bill Barker reminded us it was the Puyallup Swap Meet weekend. Bob Stamnes adjourned the meeting at 12:05. Many members stayed a bit longer to socialize with other attendees.

Respectively submitted,
Marigail (MG) Stamnes #11563
Secretary

2025 NW Meet Presentation - FEB 10, 2024

MISSION

Obtain Club's approval for 2025 NW Meet

2025 NW Meet

3

After six months hard work by two volunteer Committees (Phase 1: Bill Baker, Dave Haddock, Bob Reller, Ken Scott, and Tom Taricco; Phase 2: Don Comstock, Dave Haddock, Bob Reller, and Tom Taricco), PSR-VCCA membership unanimously approved the 2025 NW Meet and gave the go ahead to proceed. The site and property selection for the 2025 NW Meet was presented and accepted. The Meet date has not been set as contract negotiations with the property is in progress. Tradition mandates that the name of the site and property not be announced until the 2024 NW Meet, being held this June, at The Dalles, Oregon. In the meantime, mum's the word.

A PowerPoint presentation was given to attending members (in-person and on Zoom) explaining the selection process, time lines (both completed and still to be completed), and justification for the recommended site and property. It was emphasized that we have lots of work still ahead of us and that participation from our Club members, as well as other District 3 Club members, is most welcome and needed.

Going forward, Phase 3 of the 2025 NW Meet Committee is made up of, but not limited to, Don Comstock, Dave Haddock and Bob Reller; plus Bill Barker and Ken Scott who have volunteered to be in an advisory role. Tom Taricco will remain as committee chair.

Let's Make it happen!!!

End.

March 9th Meeting Program

Featuring

Dennis & Gerri Johnson's 1920 FB Roadster

This will be a Hybrid meeting

We hope you can join us starting at 10:00am In-Person or via Zoom.

The meeting will start at 10:30am

at Kent Sullivan's

6408 125th Ave NE, Kirkland, WA

See you there. Rod Schein

End.

Upcoming April Tour

PSR-VCCA Spring Tour 2024 McChord Air History Museum April 17th, tour reserved

The PSR-VCCA spring tour destination will be the McChord Air Base History Museum, south of Tacoma. The museum has 3 sites on base: the museum building, a restoration hanger, and an outdoor display of aircraft. Our club will meet at Jack's BBQ, in Lakewood for lunch at 11:30 am. Then at 12:30 pm, we will travel to the McChord Air Base Visitor's Center, for entry to the base.

LOGISTICS: The tour is free, BUT to visit the base requires a VISITOR'S PASS: This means providing proof of I.D. with either an ENHANCED Washington State Driver's License, or CURRENT PASSPORT. Also required are proof of CAR REGISTRATION and PROOF OF INSURANCE. Note: the VISITOR'S PASS can only be acquired on the day of the visit at the Visitor's Center, located off I-5, on Bridgeport Way SW. We can do this as a group after lunch, with the tour starting about 1 pm.

Driving to Jake's will have to be in separate groups from Seattle, the east side, and south of Tacoma. I have routes that would avoid travel on I-5, if any club member needs advice. The exit off of I-5 for Jack's BBQ and entrance to the air base is Bridgeport Way SW, south of Tacoma. Jack's address is, 12115 Pacific Hwy SW, Lakewood Wa. 98499.

Thanks goes to Donna Cowan, wife and co-pilot, for help setting up the details in this tour.

More information about the McChord Air Museum can be found on their website at McChordairmuseum.org.

Safety Corner

When stranded on the shoulder,
with a tire that's just gone flat,
It might be quick to change it,
But it depends where you're at.

If you're on a busy freeway,
Or a very narrow road,
It might be safer to make a call,
And have your buggy towed.

March Funnies

A patient told his doctor, "If there's anything wrong, don't give me a long scientific name. Say it so I can understand it." "Very well," the doctor agreed. "You're lazy." "Thanks," the patient said. "Now can you give me the scientific name so I can tell my wife?"

If you make a left turn from the right lane, you're probably careless - and not what the driver behind you said you are.

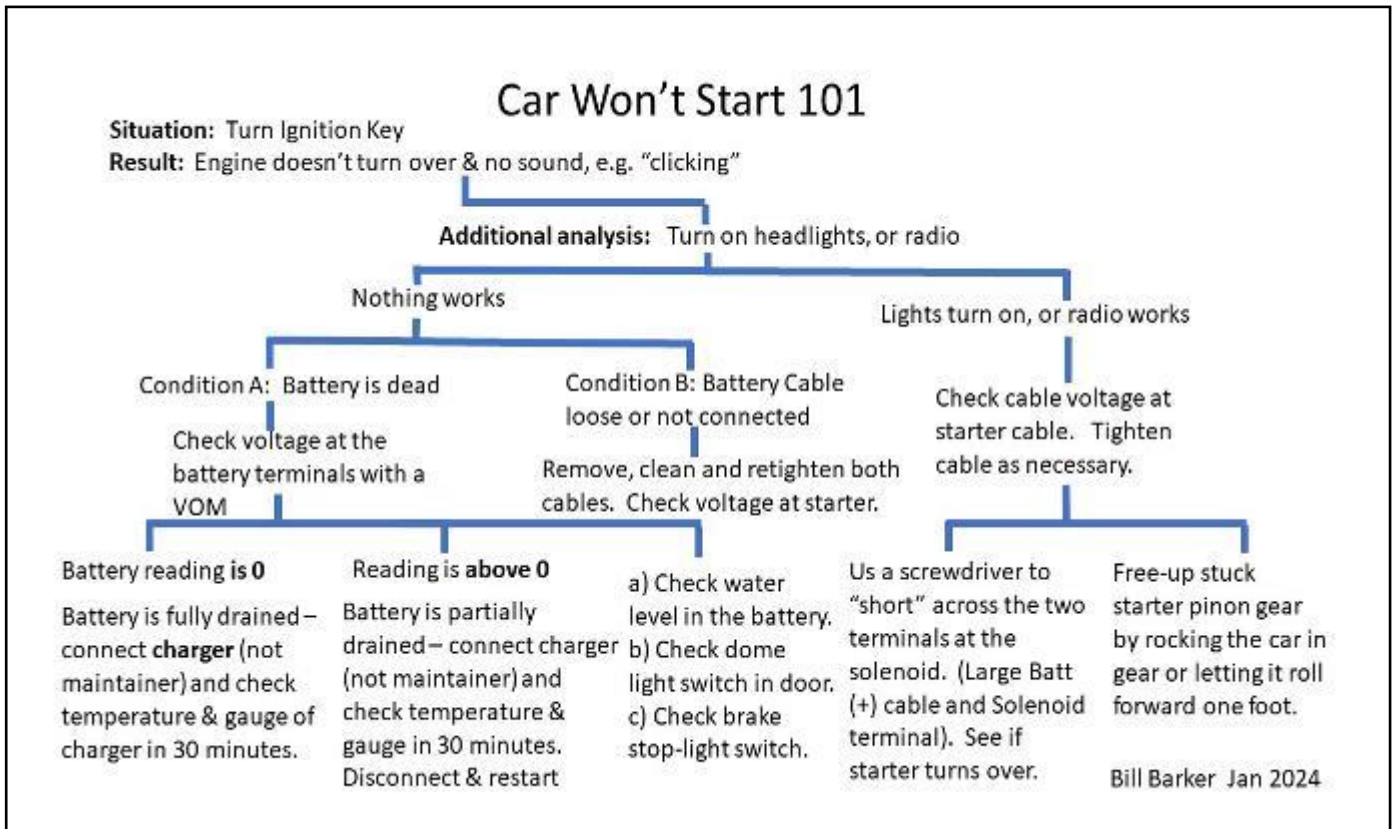

I saw a strange sight this weekend while I was driving on the freeway. There was a Tesla going the speed limit!

... Bill Barker

End.

From The Glovebox

Last month a club member called me about having starting problems with their car. While I tried to diagnose it over the phone, we failed to follow any kind of logical process. That left us with a slew of causes. As a result, I drew up this simple flow chart and took it with me the next day when I visited the owner and examined the car. As I have found in the past, when you are trying to fix a problem, most times it is not worthwhile to "jump ahead" and assume a solution. You need to be logical and proceed down a path that eliminates various issues one-by-one. Then as you progress, the number of options for the troublemaker becomes less and less. Finally narrowing it down to ONLY one or two causes is when you make real progress. I'm sure that there are lots of troubleshooting diagrams out there for people to use, but this one was fairly short and easy to follow, and it did lead us to a solution:

Continues...

The Story Behind WD-40

For many people, WD-40 means lubrication. A hinge squeaks or a bolt sticks in its hole, and you give it a shot from the familiar can. The formulation is a blend of high-quality, light-body lubricating oils propelled out of the can with CO2. But its formulation is so closely guarded that it was never patented, and the Material Safety Data Sheet is barely helpful for identifying its contents. In fact, the company stores the formula not in its headquarters, but in a bank vault.

...Bill Barker

(From: Popular Mechanics)

Local, family-owned company with global reach

Bardahl Oil Company was founded in 1939 by Ole Bardahl (January 28, 1902 – August 11, 1989), a Norwegian immigrant to the United States. Ole Bardahl arrived in Seattle in 1922 with \$29 in his pocket. He became a millionaire by the age of 39 as a general contractor in Seattle, building homes. After that, he founded the Bardahl Oil Company in the Ballard neighborhood of Seattle. The company is still owned and managed by the Bardahl family.
