

THE TAPPET CLATTER

THE PUGET SOUND REGION VINTAGE CHEVROLET CLUB OF AMERICA

MAY 2022

Volume 55, Number 5

HOW WE FOUND OUR FIRST VINTAGE CAR '36 MASTER DELUXE 2 DOOR SEDAN

It was May of 2001 and my wife Jill was opening up a beach house she and her sister bought on Lake Michigan in Ludington, MI. We had talked about getting a vintage car for some time since I like to tinker with cars. Also, she had a friend that would give her rides to high school in a restored Packard. Since then she always liked the pre-war classic cars with fat fenders and bug-eyed headlamps.

While driving around Ludington, she spotted an old car for sale at a bed and breakfast. She inquired about the cost and took some pictures. Upon receiving the pictures and the price, I did a few checks online and immediately called her back and said "go buy it now before someone else beats us to it."

The last 20 years we've had many fun adventures with our '36 going to VCCA events. With the help of many of the members in the Puget Sound Region of the VCCA, we got the car up to good running condition in short order and have maintained it, particularly with the help and parts from Dave and Lee Folsom. 1967 - Puget Sound Region VCCA - 2022

The Puget Sound Region of the Vintage Chevrolet Club of America (PS-VCCA) is dedicated to the preservation, restoration, fun and enjoyment of Chevrolet cars, trucks and GMC's. Members are not required to own a Chevrolet. Regional membership is open to all Chevrolet and GMC enthusiasts who are members of the Vintage Chevrolet Club of America (VCCA).

General meetings are temporarily held on the 2nd Saturday of the month. No meetings are held in January and December.

In person meetings will be held at 10:00 am at Kent Sullivan's 6408 125th Ave. NE Kirkland, WA 98033 (Pending COVID restrictions). Zoom meetings will resume as needed.

You can learn more about the club by visiting the website where you can see color photos of previous tours, parts for sale, wanted, etc., and there is a link to view our monthly newsletter, "The Tappet Clatter."

You can find the PS-VCCA website here on the World Wide Web

May 2022 Director's Letter

It was good to see more members at our April meeting. Everything went well with the tour afterwards. I think there must be some interesting places in the Kirkland area that would make a short tour. We just need someone to identify those places and we may be able to create a tour. Remember the weather is getting nicer and our cars need some exercise. Who is going to be the first to come up with a great idea?

You should have received the new Roster by now in your email. If not, please contact me so I can get it to you. You do have to print your own or take it to a print shop and have it printed. You may want to check your spam, because email host are programming spam filters that capture spam. That is a good thing most of the time, but they sometimes assume spam when an email is sent to a group.

The prospectus and registration forms for the Northwest Meet in Shelton are now available. You can download them from the North Cascade Region website, www.ncrvcca.weebly.com. I hope to see everyone at this Meet, the first full Meet since Covid-19 caused us to cancel our turn two years ago.

If you are interested in volunteering at the Monroe Swap Meet contact Don Comstock. There may still be an opportunity to help our Region earn money and you get a free pass into the Swap Meet.

They say we can have gatherings up to eight people without issues. I don't even know eight people without issues.

Al Howe, Director.

April Tour to Monroe

Our April meeting was an in-person only meeting. We now have more backup Zoom Hosting than we did before. Kent Sullivan and Rod Schein can now be host. Most attending were from the south end, so it was understandable why only four cars were on the tour to Monroe after the meeting. All drove modern iron except Kent Sullivan and his son, Kyle, who drove their 66 Corvaire. Those brave enough to enjoy a trip to Monroe for lunch but not brave enough to drive vintage cars were Al Howe, Rod & Evie Schein and Judy Cloutier. We ran into some rain with mixed snow that melted as soon as it hit the ground. All in all, it was a nice drive with very little traffic.

CAN YOU IDENTIFY THIS CARBURATOR SETUP???

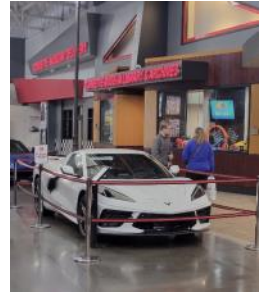

Last month we showed you a picture of something. Sorry to say we put it upside down. No one responded to what it was so I will tell you. It is a picture of a 28 intake manifold put on upside down allowing for a down draft carburetor. The carburetor is a w1 carter off of a 32. I have driven about 500 miles with this setup. I much prefer it to the updraft carburetors originally used. I get the gas to it with an electric fuel pump with about 2 to 3 pounds of pressure, no problem. Feel free to ask me questions.

Ken Scott

Greetings Everyone, AREA 3 DIRECTORS LETTER

It looks like we can finally have a summer full of car activities with tours, local car shows, and of course VCCA National Meets. In regards to National Meets the Anniversary Meet scheduled for 7-31 to 8-5 in Bowling Green, Kentucky looks like to be very exciting. A few weeks ago I attended the VCCA Board of Directors meeting in Bowling Green. During our meeting we had the opportunity to review the planned activities and VENUES for the meet. My highlight was the visit to the Corvette Museum where I was part of an audience watching owners taking delivery of their new C8. Oh, how I envied the excitement that the new owner's demonstrated while driving their shiny new Vette out of the museum. The Corvette Museum is definitely worth a revisit during the 60th Anniversary Meet. After our trip to Bowling Green we will head back home to attend the 51st Northwest Meet August 25-27 hosted by the North Cascade Region in Shelton, WA. I'm looking forward to seeing old friends and making new ones during the planned events and tours that will take place in the beautiful logging community of Shelton. Prospectus and Registration are available on the North Cascade Region website @ www.ncrvcca.weebly.com. The pics below I took inside the Corvette Museum showing cars that are awaiting delivery to their new owners. Gary Rogers Area 3 Director

PUGET SOUND MEETING MINUTES

April 9, 2022 General Meeting Minutes

The first All In-Person General Meeting was called to order by Director Al Howe at 10:05 at Kent Sullivan's Shop. Seventeen members were present, including a new member from Enumclaw. Al introduced Lee Johnson who owned the general store in Preston. Lee is restoring a 1951 five window pickup. Others attending were Judy Coutier, Rod and Evie Schein, John Campbell, Dick Jones, Bob and Starrann Reller, Ernie Tear, Roger Orness, Bill Barker, Bob Helgeson, Kent Sullivan, Kyle Sullivan, and Don and Sallie Comstock.

Al shared the new roster he has been working on for several months. He will email it to members next week after adding Lee Johnson to the roster. Those without email will probably be sent a hard copy in the mail. It is up to each member to print their copy in either black/white or color. Because of the work on the roster the by-laws revisions will have to be taken up next month.

The minutes were approved as published in the March TC and Sallie Comstock reported the treasury is the same as last month with no activity because Kent's email with his bill for a microphone never got to Sallie. Kent will send it again.

Our Editor, Fran Cissell, requests all newsletter content be sent to her by the 20th this month as she will be out of town on the 25th.

May 17th is the Annual Ballard Parade. All are invited to participate. It is going to include a car show. Rod Schein is again the organizer. The plan is to meet at 1PM at the Schein's to tour to the Ida Culver Car Show for a couple of hours then tour around the area ending back at the Schein's for a Pot Luck and the Parade at 6PM if you can stay. He has an invitation elsewhere in the Tappet Clatter.

Monroe Swap Meet Work Party is coming together nicely. Those attending the April meeting signed up for a time slot. Don will be contacting other volunteers to fill in the remaining time slots. He will be sending out parking passes and detailed instructions when he receives the needed materials from the Early Ford V8 Club. Kent Sullivan had some literature to give away and Bill Barker handed out seed packets to all who would accept them. The formal meeting was then adjourned and we moved on to the program. Don Comstock talked about acquiring his 1942 Fleetline Aerosedan from Walt Blair, a founding member of this region before his passing. The car changed hands in 2016 and soon attended the National Meet in South Lake Tahoe. It also attended the meet in Medford, Oregon and many other shows and tours.

Meeting Adjourned around 11:30 to take a driving tour to Monroe using back roads.

Respectfully submitted,
Don Comstock
